Subject Copart - Property Renewal 10/1/05

John,

Thanks for your call on this account, we appreciate your help in the marketing process for competitive renewal quotes. I think we particularly need to seek competitive quotes from admitted carriers for the excess layer. I indicated the specs as preliminary because we are expecting to receive additional updated information to fill in a few holes in the statement of values for new locations. We should be able to do a true-up in Sept. but did not want to hold things up at this time.

If after your review of the attached spec documents you should have any questions or need anything additional, please let me know.
